Brother Josephus Edward
50 years a Brother

DEDICATION

A born leader, a man who through the years has carried very close to his heart the welfare of each DE LA SALLE MAN; a man whose burning enthusiasm will never be quenched. Brother Josephus Edward is celebrating his fiftieth anniversary as a Christian Brother. At pep rallies, assemblies and during drives, his enthusiasm overflows and becomes a main source of energy for all. His work on transportation and in the cafeteria is well known and appreciated by the students. Less well known but equally important is his ceaseless care as the "Sheriff of De La Salle." Brother Josephus is a born leader in every sense of the word. It has been said "Some lead, others follow.", Brother Josephus leads but even he has followed

ST. JOHN BAPTIST DE LA SALLE

His love of God and youth lead him to found the Christian Brothers.
His followers and their co-workers, like mirrors, shine with the
same qualities and work for the betterment of young men

IN MEMORIUM

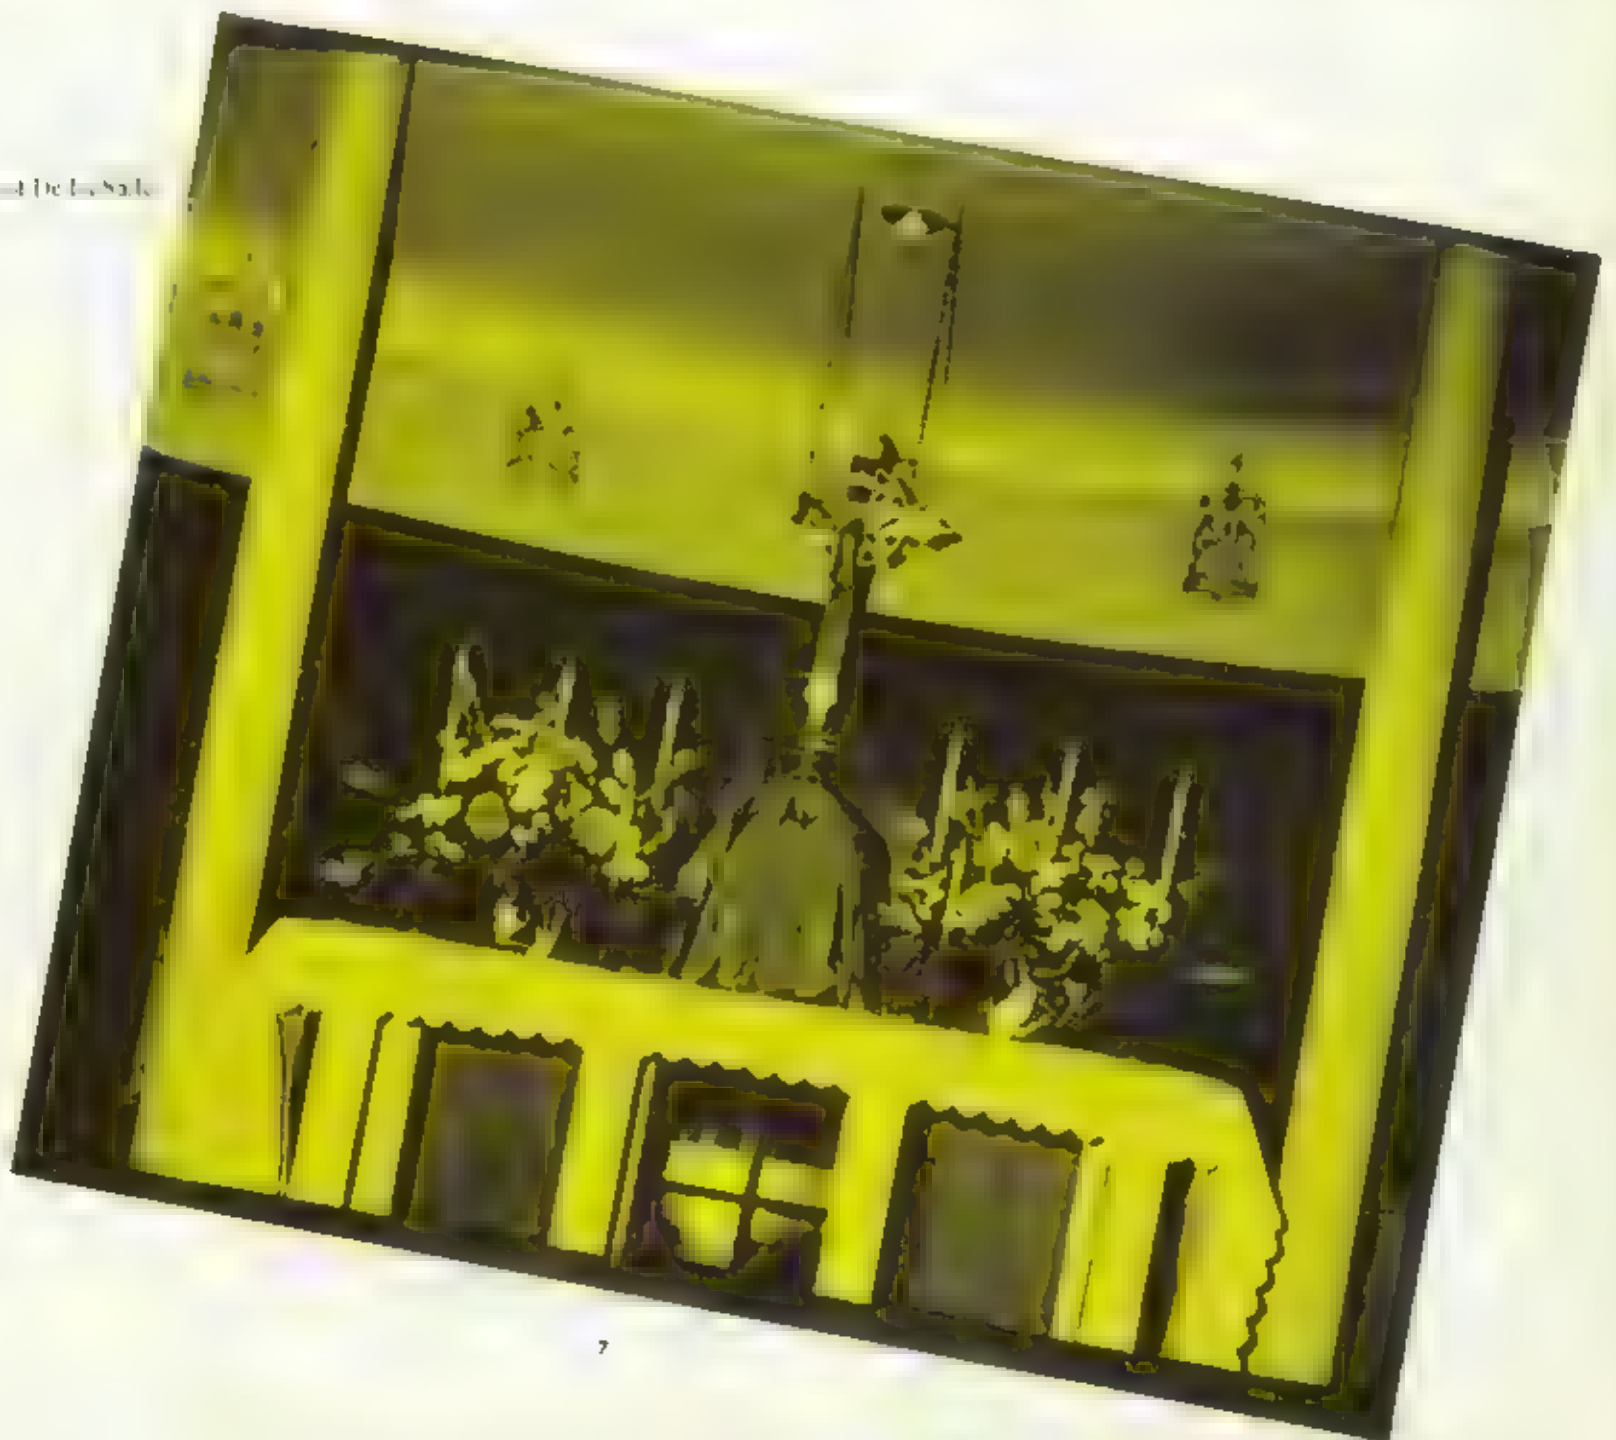

The faculty and student body of De La Salle are sincerely grateful to Mr. Ryan who worked year after year helping the school become a better place to live. His work with the alumni in the purchase of the athletic field, and the fact that he was general chairman of two expansion drives will never be forgotten. The athletic field, the tech building, and the North Building will be a living memorial to his leadership among the alumni. May his soul and all the souls of the faithful departed through the mercy of God rest in peace. Mr. Ryan was most happy to work in cooperation with De La Salle so that the young who come will have the opportunity to develop himself in . . .

FOOTBALL

Captain Pete Nearl Coach Bansley, Coach Bulger, Brother J. Aurelius

Although the team did not have a winning season, they did show signs of great future success. This year's squad did set some precedents though. They were the first DE LA SALLE football team to travel to such far away places as Cincinnati, Ohio and Hammond, Indiana. While at these places, the men of the squads acted like true 'D' men in upholding the reputation that DE LA SALLE is proud of. It was also 'D's' first year in the newly formed Chicagoland Prep League, a league that De La Salle will soon rule!
